April 11, 2011***

The Board of Health met at 7:00 pm at the Ritter Administration Building

Present: Chairman George Emond, Dave Shea, Perry Jewell, Jack Rabbitt and Troy Daniels

TITLE 5 INSPECTION REPORTS REVIEWED:

56 Northfield Road

SEPTIC PERMITS SIGNED:

229 Lancaster Avenue
64 Sunny Hill Road

647 NORTHFIELD ROAD – VIOLETTE – SEPTIC VARIANCES

Dan Proctor met with the Board representing the owner, Mary & Dick Violette. This system is in failure. This home is adjacent to Dick Market Garden and Farm. The site is bounded by wetlands on one side and an orchard on the other. Soil testing showed a high water table that did not allow a perc test to be run.

Due to the limitation of the site this is the best plan for the site. After discussion and on Motion by Jewell and second by Rabbitt, the requested variances were granted. All in favor.

Having no further business before the Board, the meeting was adjourned at 7:30 pm.
